

# Ten minutes for a brighter ten years.

## Census FAQs

### What is the census?

The census is the official count of all people living in the U.S., regardless of age, income, immigration status, etc. It's been done once every 10 years since 1790.

### What does the census ask?

The census asks for information you probably know offhand: your name, sex, age, birthday and race/ethnicity. Visit [my2020census.gov](http://my2020census.gov) to view a sample census form.

### What does the census do for me?

When you participate in the census, your community gets \$18,000 over ten years to help fund schools, healthcare, roads and other vital services.

### Is the census form secure?

**Yes!** The law prevents the U.S. Census Bureau from sharing your information. **Your answers cannot be shared with law enforcement or used to impact your eligibility for government benefits.** Your answers are used only to create statistics about our country.

### How do I participate in the census?

Starting in mid-March, everyone living in Wyoming can **complete the census online, by phone or by mail.** The census has 12 questions and takes only about 10 minutes to complete.
